

# WOODS POWR-GRIP MR611 LIFTER [6-in-line] - handling loads of up to 500 kg

Perfect for longer panels / sheets - this has the same features as the popular P11104 but with an increase in lifting capacity to 500kg. The system can rotate, tilt and fully tabletop for maximum handling needs, with a slim profile.

**Dual circuit vacuum system consisting of six powerful 305mm suction cups**

<b>Lifting capacity:</b>	500 kg
<b>Machine weight:</b>	71 kg
<b>Rotation / Tilt range:</b>	180° rotation and tilt to tabletop capabilities
<b>Battery:</b>	12VDC, 10Ah
